Hi Alan,

Here's a new opportunity for you to check out.

Position: 3D Modeler
Location: South Bay, Milpitas
Status: Freelance
Estimated Duration: Ongoing
Starts: Next Week
Rate: Up to \$47/hr DOE

Job Description:

Our well known Tech client is in need of a 3D Modeler!

This 3D Modeler role is onsite in Milpitas and will be 30-40hrs/week for at least a month with the potential to extend!

The primary responsibility of the successful 3D Modeler will be 3D interactive modeling. Strong experience with modeling and texture development is necessary for this role.

The ideal Modeler has knowledge of After Effects, Maya, and video animations. You will need to bring your own laptop and should have your own modeling software to work off of.

If you feel you are qualified for this position please reply directly to this email with a link to your portfolio (if applicable) and attach your resume. Tell us why you are qualified for this opportunity (2-3 bullet points, including your strengths/skill set as they pertain to this role), and let us know your availability to interview or start.

We apologize in advance if we're unable to connect with you in person regarding this position. We get quite a few responses, but we are committed to reviewing and evaluating each applicant's qualifications.

Best wishes!

Creative Circle
